NOTICE OF PUBLIC HEARING

Education Code § 17620 states that “the governing board of any school district is authorized to levy a fee, charge, dedication, or other forms of requirement against any development project for the construction or reconstruction of school facilities.” In order to impose such fees, Study must demonstrate that a reasonable relationship or “nexus” exists between new development that occurs within the District and the need for new or reconstructed school facilities attributable to new development. The Study reported to the CUSD Governing Board. The report will present findings in order to meet the procedural requirements of the Mitigation Fee Act, also known as AB 1600.
